Description

since we have this functionality available via isxeve now, can we have sb close them (its a minor nit, but i can't help feeling like it's a tell).

History

#1 - 2014-10-28 04:46 PM - Stealthy

- Status changed from New to In Progress

#2 - 2014-10-28 04:48 PM - Stealthy

- Status changed from In Progress to Implemented

This is done in builds >= 0.9.4.6
