Description

<Setting Name="6">Step 1: |Broker| Step 2: |Place| Step 3: |Item| Parameter 1: |5| Parameter 2: |Status| Parameter 3: |1| Parameter 4: |11|</Setting>

This is not allowing status items to be placed to the broker.

History

#1 - 2014-11-24 11:01 AM - bjcasey

- Status changed from New to In Progress

09:23:24: Can the item be traded or placed on the broker? TRUE
09:23:24: Item Type Matches: TRUE
09:23:24: Do the item types match? TRUE [Item Type: Item / Action Type: Item]
09:23:24: Item Type Matches: TRUE
09:23:24: Does the item exist in the reference list? NULL

#2 - 2014-11-24 11:26 AM - bjcasey

- Status changed from In Progress to Resolved

This has been corrected in Patch # 97. It was the additions for T11 harvest resources missing a < that corrupted the file/information.
