

OgreBot - Bug #1359

Channeler Specifics Tab

2015-02-28 08:59 AM - MMOHegemony

Status:	Resolved
Priority:	Normal
Assignee:	Kannkor
Category:	
Target version:	
vbulletin_issue_id:	

Description

Choosing Slot 3 Conduit Siphoned Protection as the conduit triggered by Efficiency in the Channeler Specifics Tab will lead to the following message in the console when Efficiency triggers and the bot will not cast anything for few seconds:

Forced Casting -> Information below came back with needing a target, but not needing one...? Report to Kannkor.

Forced Casting -> f_CastingAbility -- Ability: (Siphoned Protection ID:) -- Target: (or 0) NPCReq: False -- bS: False called from: Cast Stack: -> Efficiency
