

ISXRI - Bug #1579

Zone Reset - not working

2016-03-02 08:16 AM - blammo

Status:	Closed
Priority:	Normal

Description

Doesn't appear to work, either for local user, or for relay users, as of 03/02/16

When you hit the button, it opens/closes the "zone" window, but doesn't change anything. You can choose a zone that's in your list, needs resetting, is eligible, but it won't reset.

Might not hurt to code a "zone reset all" while you're at it.

I can't find any way to 'debug' this issue with more info, sorry.
