Description	
<p>It would be nice, if when using ogre craft to do writs or a bunch of recipes, if the annoying buzz sound could be played when something goes wrong.</p> <ul style="list-style-type: none">• Out of materials• Navigation error• Out of bag space• Unable to buy materials• Don't know recipe on writ• Anything else <p>Roughly, if the bot gives up, then beep.</p> <p>I've started running the crafting bot while doing other tasks in game on other toons, and its really easy to miss the fact that the crafting bot had issues and is just sitting there.</p>
