Description
With the additions of the new Quest Journal TLO, I'd like to also request the right hand side of the Quest Journal where the quest objectives are stored.   Quest_Journal_Full.PNG To access the right side, you must left click/select a quest from the left side. Having access to a character's quest objectives and their completion would be really useful to me an automating specific tedious quests.

History

==========================================
QUESTS
==========================================
* Added new TLO "QuestJournalWindow".  This TLO returns a new datatype: 'eq2questjournalwindow'.
  This new datatype inherits all members/methods of the 'eq2window' type.
* Added new datatype: 'journalcurrentquest'
* Added new MEMBER to the 'eq2questjournalwindow' datatype:
  1.  CurrentQuest          (journalcurrentquest)
* Added new MEMBERS to the 'journalcurrentquest' datatype:
  1.  Name                  (eq2text)
  2.  Level                 (eq2text)
  3.  Category              (eq2text)
  4.  CurrentZone           (eq2text)
  5.  TimeStamp             (eq2text)
  6.  MissionGroup          (eq2text)
  7.  Status                (eq2text)
  8.  ExpirationTime        (eq2text)
  9.  Body                  (eq2text)
* Added new METHOD to the 'journalcurrentquest' datatype:
  1.  GetDetails[index:collection:string]
* MOVED the following MEMBERS of the 'character' datatype to the 'eq2questjournalwindow'
  datatype:
  1.  NumActiveQuests
  2.  ActiveQuest
  3.  NumCompletedQuests
  4.  CompletedQuest
  5.  GetActiveQuests
  6.  GetCompletedQuests
* Added new METHODS to the 'quest' dataytpe:
  1.  MakeCurrentActiveQuest
  2.  MakeCurrentCompletedQuest
* Added new Knowledgebase Article: "How to echo current journal quest details"
  > https://forge.isxgames.com/projects/isxeq2/knowledgebase/articles/44
