

ISXEQ2 - Bug #1670

IsInventoryContainer Broken

2016-07-22 07:07 PM - bjcasey

Status: Resolved	
Priority: Normal	
Assignee:	
Category:	
Target version:	
vbulletin_issue_id:	
Description	
I've tried <code>Me.GetInventory[Index]</code> and <code>Me.GetInventoryAtHand[Index]</code> with both an iterator <code>Iterator.Value.ID</code> and using a counter to step through the index same result. Everything except for ID returns NULL for any item in your actual inventory slots (1-6).	
Snippet stepping through the index: http://hastebin.com/vojokuso.rb	
Snippet using an iterator: http://hastebin.com/unuqayihov.rb
