

OgreBot - Bug #1678

Ogre TSAM

2016-07-27 12:06 PM - Silk

Status:	New	
Priority:	Normal	
Assignee:	Kannkor	
Category:	Broken Feature(s)	
Target version:		
vbulletin_issue_id:		
Description characters can find there way to the assistance fine but when they talk to them they choose no options and camp to the next character on the list Loading map: qey_ph_1r01 No LSO or XML file found. Creating a new file. Error:No such 'eq2button' member 'Label' @\${EQ2UIPage[ProxyActor,Conversation].Child[composite,replies].Child[button,2].Label} 18:33:01: OgreTSApp: DoCoach was set to TRUE, but quest isn't available. Using this timestamp as completion time. Error:No such 'eq2button' member 'Label' @\${EQ2UIPage[ProxyActor,Conversation].Child[composite,replies].Child[button,3].Label} 18:33:04: OgreTSApp: DoQuest was set to TRUE, but quest isn't available. Using this timestamp as completion time. 18:33:04: OgreTSApp: Research quest isn't available. I suspect it's already been done. End of OgreNav (Powered by script: eq2ogretradeskillapprentice) Loading login only...
