

ISXEQ2 - Bug #1690

Client crash

2016-08-02 05:34 AM - Lars

Status:	Resolved
Priority:	Normal
Assignee:	Amadeus
Category:	Crash
Target version:	
vbulletin_issue_id:	
Description	
Client crashes with crashdump http://pastebin.com/GgJd6Gke . This has been happening almost every day for a few weeks so it was before the last night patch, it also happen just a few minutes ago.. So happens after the patch aswell:(
Issue is not on one computer only as the crashes also happens on the laptop with more or less similar specs	

History

And again:

<http://pastebin.com/GgJd6Gke>

#2 - 2016-08-02 11:22 PM - Amadeus

- Status changed from New to In Progress

I suppose keep posting the crash reports until one of them has useful information in it. For now, I did release another version (20160802.0002) ..update and see if it helps.

(Future crash reports must come from the latest version of isxeq2 to be useful.)
