#### Description

I would like to be able to disable the output of Tythe Spent points in the Ogre Console.

It might also be worthwhile to be able to enable/disable anything that get directly sent to the OC. It's a good way to filter specific information you're looking for.s

Also, if there's a way to add something to the MCP to verify that everyone in the group has active Missions (Quests) pertaining to whatever zone you happen to be in. Also, if you enter a zone that is part of the daily Ethereal quest, check to see if you're on it as well.

\*\*\* [X] Show when Deity points spent

\*\*\*\* Note: This option also applies to MCP spending of deity points.
