- Status changed from New to Implemented

Ogrebot 17.105

** Camp / CampToDesktop

*** Now accepts a second parameter. Default is FALSE. If set to TRUE, will camp you to login scene only.

*** Current (unchanged) behaviour: !c -camp all

**** Camps you to login then closes eq2.

*** If passing the new parameter: !c -camp all TRUE

**** Camps you to login only. (Doesn't close eq2).
