Description

Would like ForWho updated with IRW (In Raid With) as an option to function similar to IGW.

History

#1 - 2017-01-12 04:40 PM - Kannkor

- Status changed from New to Implemented

Added in Ogrebot 17.133

Both IRW:___ and IRWBN:___

These will both fall back to IGW: and IGWBN: if you are not in a raid.
