

ISXEQ2 - Bug #1805

Unable to get/set MailWindow.Recipient

2017-02-03 07:43 AM - leverage

Status:	Resolved	
Priority:	Normal	
Assignee:	Amadeus	
Category:	Broken Feature(s)	
Target version:		
vbulletin_issue_id:		
Description		
While I'm able to get and set the Subject, Body, and Attachments with the new MailWindow TLO, I am unable to do anything with the Recipient. <code>MailWindow.Recipient.Type</code> returns NULL, as does <code>MailWindow.Recipient.SpewProperties</code> (where as <code>MailWindow.Body</code> , and <code>MailWindow.Subject</code> both work fine).
