| At present it can be challenging to determine the best location for grinding adventure XP or tithe experience.                                                                                                                                                                   |                                  |
| <b>Solution</b>                                                                                                                                                                                                                                                                  |                                  |
| Add an XP meter to record and present xp gained per hour. The meter should record all XP gained during a time period and display the amount gained divided by the time over which it was earned. The XP meter should have a 'reset' calculation to reset the running calculation |                                  |
