Target version:			
vbulletin_issue_id:			

Description

Hoping this is easy to implement since it shows up in the overview alongside scramblers.

History

#1 - 2020-09-04 04:39 PM - Teht

CyberTech pointed me to character.GetAttackers, this request can be cancelled (unless its decided that a boolean member in Entity is helpful)

#2 - 2020-11-20 02:24 AM - CyberTech

- Status changed from New to Rejected
