

OgreBot - Bug #2183

Gut - Assassin ability does not get flagged for "no need for flanking/behind"

Description	
<p>The Gut assassin ability does not follow the normal way of getting flagged for not needing Flanking/Behind when abilities that bypass this requirement is active etc. Below is a screenshot of Gut and of Shadow Trickery which makes Gut bypass the requirement for flanking/behind.</p>

unknown.png	
<p>As a workaround your profile can be edited to remove the requirement there which will then allow ogre to cast Gut no matter if youre flanking/behind or not.</p>
