| Description | |
| <p>It looks like this was fixed in 20231024.0023... but it appears to be broken again. "IsItemInfoAvailable" always returns FALSE and any calls to "ToItemInfo" are NULL.</p> <p>October 31, 2023 [20231024.0023]</p> <p>* Fixed the "ToItemInfo" and "IsItemInfoAvailable" MEMBERS of the 'containerwindowitem' datatype</p> | |
