| <p>This is returning unknown for Gorowyn. I suspect that there have been 2 new player cities added since you last updated the possible markets. Gorowyn (Evil/Freeport Ally) and New Halas (Good/Qeynos Ally). I know for sure that Gorowyn appears in the broker window as a market, but I was unable to find anyone selling from New Halas. New Halas may be classified as Qeynos for the market purposes.</p> <p>Could you please add Gorowyn to the possible return values?</p> <p>Wiki link: <a href="http://eq2.isxgames.com/wiki/index.php?title=ISXEQ2:Consignment_(Data_Type)">http://eq2.isxgames.com/wiki/index.php?title=ISXEQ2:Consignment_(Data_Type)</a></p> <p>string Market<br/>Possible values: "Qeynos" "Freeport" "Kelethin" "Haven" "Neriak" (or "Unknown" which should not be possible)</p> |                   |

Version 20140909.0002+ should now return "Unknown Market ###" when it encounters an unknown market. Let me know the values that are returned with the matching market names and I'll add them to the next release.
