| vbulletin_issue_id: | | | |
| Description | | | |
| Clicking on the capacitor readout for a ship or on the ship in space allows you to set a starbase forcefield password, allowing access to password protected starbases. Please add a Me.Ship method to set this. Example: Me.Ship:SetStarbasePassword[password] | | | |

History

#1 - 2014-10-04 03:21 AM - Amadeus

- Status changed from New to Feedback Required

I need a starbase name/information that I can use for testing. One that requires a password and that I can access and that is "relatively" safe. (You can PM me the information on IRC.)

#2 - 2014-10-04 09:28 PM - Amadeus

- Assignee set to Amadeus

#3 - 2014-10-07 07:22 PM - Amadeus

- Status changed from Feedback Required to In Progress

#4 - 2014-10-10 01:05 PM - Amadeus

- Status changed from In Progress to Implemented

```
October 10, 2014  
[ISXEVE-20141001.0012]  
* Datatype: 'ship'  
New Method(s):  
1. SetStarbaseForcefieldPassword["password"]
```

This method does not provide any feedback on success; however, it does work if the correct password is used.
