StealthBot - Feature - Enhancement #1226

Make TTS alerts optionally fire only once every few minutes

2014-10-15 01:31 PM - Stealthy

Status:	In Progress		**Start date:**	2014-10-15
Priority:	Normal		**Due date:**	
Assignee:	Stealthy		**% Done:**	0%
Category:			**Estimated time:**	0.00 hour
Target version:				
vbulletin_issue_id:				

Description

Currently, TTS alerts will spam every second or so.

Add an option to make TTS alerts respect a cooldown timer before going off again.

History

#1 - 2014-10-30 08:08 PM - Stealthy

- Status changed from New to In Progress

- Assignee set to Stealthy

New configuration value for delay duration(in seconds) added to the alerts configuration tab.
