Gathering Goblin Won't Harvest T11

2014-11-11 07:22 PM - Quigly4000

Status: Resolved	
Priority: Normal	
Assignee:	
Category:	
Target version:	
vbulletin_issue_id:	
Description When running the harvesting script set to harvest T11, the character will hail the goblin, collect harvests if available, check goblin conversation options and then do nothing (even though the console says sending goblin out for T11, It never selects the option for 60+ harvests.)	

History
