OgreBot - Bug #1323

Dissonance and Cures

2014-12-19 11:51 AM - KamphyChair

Status:	New	
Priority:	Normal	
Assignee:	Kannkor	
Category:	Broken Feature(s)	
Target version:		
vbulletin_issue_id:		

Description

I attempted to set a dissonance restriction (>=5000 dissonance) on the single target cure spell while disabling all other cures. In the few tests I've done with this, the channeler would spam the cure regardless of current dissonance levels.

History

Same issue with pet heals, ignores any dissonance restrictions.
