

OgreBot - Feature - Enhancement #1615

Load, Reload and End Bot Parameter

2016-05-31 06:07 PM - bjcasey

Status: Implemented	Start date: 2016-05-31
Priority: Normal	Due date:
Assignee:	% Done: 0%
Category:	Estimated time: 0.00 hour
Target version:	
vbulletin_issue_id:	
Description Please add a ForWho parameter to those three mcp commands.	

History

#1 - 2016-06-07 12:23 PM - Kannkor

- Status changed from New to Implemented

Patched in Ogrebot 17.090

OgreBotAPI

** method Reload_Bot(string _ForWho=all)

*** Reloads the bot

** method Reload_DevBot(string _ForWho=all)

*** Reloads dev bot

** method End_Bot(string _ForWho=all)

*** Ends the bot

** Note: The above 3 methods all require Ogrebot to be running in order to work. There are other ones, such as Load_Bot, Dev_Bot, End_bot where they do it for all sessions, instead of giving you a ForWho.
