

OgreBot - Feature - Enhancement #1618

Add OgreEventOnGearConditionReport

2016-06-06 05:57 AM - bjcasey

Status: Implemented	Start date: 2016-06-06
Priority: Normal	Due date:
Assignee:	% Done: 0%
Category:	Estimated time: 0.00 hour
Target version:	
vbulletin_issue_id:	
Description When OgreBot reports to OC/IRC that it's gear condition is 30%, 20% and 10%, have it trigger an OgreEvent.	

History

#1 - 2016-06-06 06:05 AM - bjcasey

I'd like access to who is doing the reporting and what the gear percentage is.

#2 - 2016-06-07 01:16 PM - Kannkor

- Status changed from New to In Progress

Can't test this until I can actually log in...

Patched in OGREBOT v17.090

Event name: OgreEvent_GearConditionReport

This will report no matter what. You can use this event to check the percent and take any action you wish.

```
method OgreEvent_GearConditionReport(string _Caster, uint _GearAmount)
{
    echo OgreEvent_GearConditionReport -> ${_Caster} -> ${_GearAmount}
}
```

#3 - 2016-06-17 03:43 AM - Kannkor
