Description

Will you check if you can possible make a TLO with all the faction values from the Persona Window, and the ability to request those values from the server without having to open the window

If you need the info on how to read those from EQ2UIPages PM me.

History

#1 - 2017-12-04 01:40 PM - Herculezz

I wanted to add to this access to the Options tab as well specifically the Hide my illusion form, to be able to check/uncheck and determine its checked state.

#2 - 2019-12-31 06:55 PM - Amadeus

- Status changed from New to Closed
