

AstroBot - Bug #1884

Mining Foreman Option

2017-04-15 06:23 AM - bjcasey

Status:	Implemented
Priority:	Normal
Assignee:	
Category:	
Target version:	
vbulletin_issue_id:	
Description	
As a miner, if I have selected to take orders from a mining foreman, the foreman should be telling me where to warp to instead of using my own navigation route. This would keep all of the miners on the same grid.	

History

#1 - 2017-04-23 10:50 AM - bjcasey

- Status changed from New to Implemented

Patch # 18 will have the miners check with the Mining Foreman before warping to an asteroid belt.
