

AstroBot - Bug #1936

Module Routine Doesn't Check Current Module

2017-07-06 05:45 PM - bjcasey

Status:	Resolved
Priority:	Normal
Assignee:	
Category:	
Target version:	
vbulletin_issue_id:	
Description	
The module routine is not checking the current module against the assigned module list as it is processing them. This can lead to problems if you change your modules and don't update your profile.
