

AstroBot - Feature - Enhancement #1957

Target Assignment - Sorting of Asteroids

2017-07-29 10:07 AM - bjcasey

Status: Implemented	Start date: 2017-07-29
Priority: Normal	Due date:
Assignee:	% Done: 0%
Category:	Estimated time: 0.00 hour
Target version:	
vbulletin_issue_id:	
Description	
Looking into caching the asteroid targets after arriving on grid to avoid needing to resort them everytime I need to target a new asteroid. When warping clear the cache.	
I may need to ensure that the target asteroid (entity) still exists before assigning it.	

History

#1 - 2017-07-29 10:08 AM - bjcasey

Asteroids have been detected on grid. Sorting them by distance based on the first asteroid.

Sorting of asteroids has been completed.

#2 - 2017-07-29 07:09 PM - bjcasey

- Status changed from New to Implemented

This has been implemented in [Version 1.0108](#)
