AstroBot - Feature - Enhancement #2045

Exporting everything

2018-01-05 02:30 PM - Funky

Status:	Implemented		**Start date:**	2018-01-05
Priority:	Normal		**Due date:**	
Assignee:			**% Done:**	0%
Category:			**Estimated time:**	0.00 hour
Target version:				
vbulletin_issue_id:				

Description

A checkbox to export everything (including sensitive data) would make duplicating settings across personal clients easier.
 *Put a warning so the user know's what is exported if this option is ticked
 *Uncheck the tickbox after an export so the user must explicitly want this option for every export
