

## AstroBot - Bug #2119

### Primary Activation Condition

2019-10-05 07:23 PM - saridd

<b>Status:</b> New	
<b>Priority:</b> High	
<b>Assignee:</b> saridd	
<b>Category:</b>	
<b>Target version:</b>	
<b>vbulletin_issue_id:</b>	
<b>Description</b>	
The Primary Activation Condition field does not show any results so I am unable to create the rules for the assigned modules.
