

ISXEVE - Bug #2137

Miner Leaving drones in space.

2020-04-26 06:10 PM - gfeitosa

Status:	Resolved
Priority:	Urgent
Assignee:	CyberTech
Category:	broken feature(s)
Target version:	
vbulletin_issue_id:	
Description	
When NPC's are in range, the miner launch drones and target NPC's to attack.	
Once NPC's are dead the miner is leaving drones in space.	
Once ore hold is full miner warps off to unload but leaves the drones in space.
