#### Description

Now that Mercs provide a buff (Mercenary Battalion see [https://eq2.fandom.com/wiki/Mercenary\\_Battalion](https://eq2.fandom.com/wiki/Mercenary_Battalion) for more informations), it would be nice to get Merc handled in Ogre like Mount. That means :

- To start training current Merc if it is invoked (by example when looping solos which make sense in BoL)
- To use temp for Merc

Thank you for your support
