Description

For Alcoholic drinks, the ability to "Drink" them. I tried all existing options (Use/Consume/Scribe etc)

You can do this in any city, simply talk to a guard and ask about "bartender". but here is a specific example.

In Zone [The City of Freeport] at location [-232.908081,-55.183315,8.709607] is NPC [Ranik Calman] whom sells "(Alcoholic drinks)".

Buy some. Then in your inventory, you right click and "Drink" it.
