

OgreBot - Feature - Enhancement #2179

Ability Research - add a checkbox when adding an item if you JUST want to research that specific tier.

Description			
<p>This would allow us more fine-grained control over what research we do.</p> <p>Since some tiers are much easier to acquire via drops/crafting than others, we don't want to waste research time on tiers we're more likely to be able to acquire organically.</p>
